

DRACUT HOUSING AUTHORITY
HEATING SUB-COMMITTEE MEETING MINUTES
JUNE 15, 2015
5:30 P.M.

PRESENT: Commissioner Forcier
Commissioner Nangle

Commissioner Forcier stated that we have been waiting for the state to approve the budget before we could have a meeting of the heating sub- committee. Commissioner Forcier stated that we would like to roll out a five year capital improvement plan on 971 Mammoth Road. The plan would address heating, siding, and roofing issues. Commissioner Forcier would like to utilize solar panels at this site. As the project is phased in Commissioner Forcier would like to see heating updates, siding, and roofs. Commissioner Forcier would like to see solar be the focus. The housing authority plans on working with DHCD to further any and all options that will address the efficiency as well as the cost benefit of the housing authority.

Meeting adjourned: 5:42 p.m.
